

Company overview:

Based on over 70 years of research into breastfeeding and early childhood development, we have gained an in-depth understanding of babies' growth processes and identified areas of concern in child-rearing. This has led to our development and launch of numerous high-quality products, resulting in widespread recognition of Pigeon as a leading and trusted company in the industry.

Featured products:

- **Products for hospital use:**
 - Bottles for babies with special needs
 - Premature and/or low birth weight babies
 - Babies with cleft lip and palate
- **Pacifiers for premature babies**
- **Wide neck bottles for general use**
